Dear David,

Thank you for your involvement in the 2004 Reading Recovery Tutor Association Conference. We want to share some of the comments from the evaluation form regarding your session:

David Hornsby! Fantastic! Thank you for helping us to remember the competencies we already have.

David Hornsby – so practical – so true! It matched my education reality and gave me the means to move on more powerfully.

Seeing and hearing Marie Clay's ideas. David Hornsby's lecture and Barbara Watson's address on Friday evening – excellent presentations.

David Hornsby – he was great. We've let too much slip out of our crowded curriculum.

Marie Clay, Julia Douetil, David Hornsby everyone was brilliant.

Listening to Marie Clay, David Hornsby and Jan Turbill speak; very practical and useful ideas.

Marie Clay and David Hornsby.

David Hornsby was an inspirational presenter.

David Hornsby was brilliant.

David used the best words at the conference; "Practical ideas".

David Hornsby – excellent – lives in the real world – clever, practical, humorous.

Thank you again for your participation in our Conference. We hope you were as pleased with the event as we were.

Kind regards

Jean Coward
